ANNUAL REPORT OF THE WEARE VOLUNTEER FIRE DEPARTMENT

The department answered 36 alarms during 1950, as follows: 18 chimney fires, 6 building fires, 1 rubbish fire, 4 brush and grass fires, 1 oil burner fire, 1 car fire, 1 tar kettle fire, 1 high tension wire arcing, 1 false alarm and 2 calls for assistance out of town.

This is an average year in number of fires with an estimated damage of \$7,000. Defective chimneys and flues continue to be the cause of more than half of our fires. Have unsafe defects in chimneys and flues repaired without delay. A small repair job may save you a big loss.

Brush and grass fires were held to small area burned, very little damage and were not expensive to control. Only two brush and rubbish fires resulted from burning without a permit from the forest fire warden. Get a permit when you wish to burn and help prevent forest fires by using extreme caution when burning and make sure all fires are out before leaving them unattended.

The department held 12 monthly meetings and each company held several drills as well as three drills by the departments as a whole.

The ladies' auxiliary continues to function and has assisted by serving dinners to several fire organizations during the year.

The board of fire wards or engineers held two meetings during the year.

An automatic oil burning steam heating system was installed in the Central Fire Station at Weare Center and has proved to be excellent for heating both the station room and the meeting hall. It has resulted in the saving of janitor expense and its blower system makes a very efficient means of drying hose and other equipment.

The East Weare Station has been heated during the past winter and the value of having the booster tank full at all times and the truck warm has been well demonstrated. We now have good facilities for drying hose at this station, which is a great convenience.

During the year the following equipment was added: 200 ft. of 2½ inch hose, 50 ft. of booster hose, 1 length 2 inch

suction hose, 1 dry powder CO² extinguisher 20 pounds, 2 electric lanterns, 3 backpack pumps and 3 pairs of rubber boots.

Fences were erected around two newly dug water holes and repairs were made and fences rebuilt on several other water holes. Our water supplies have held up better this year than for several years previous.

The truck at South Weare is kept in a very dangerous and inaccessible place. The sheds it is housed in are a fire hazard in themselves and are in a poor location to get the truck out of in winter or when gatherings are being held at the hall. The equipment cannot be serviced in any way in the building and no means of heating the station to allow the tank to be kept full of water or to dry the hose is possible. A different building should be provided to protect the equipment and keep it in condition for use especially in the winter season when water supplies are frozen or inaccessible.

The present scarcity of materials, the increased cost of replacing and rebuilding makes it more necessary than ever before to protect our property from loss or damage by fire.

The department appreciates the cooperation and support of the people of Weare and hope to render even better service to the community.

Respectfully submitted,

GERALD H. HIGHT, Chief,
Weare Volunteer Fire Dept.

FOREST FIRE WARDEN'S REPORT FOR 1950

Received from town for forest fires	\$174.27
The state has reimbursed the town	92.40
Collected from parties burning unlawfully, and have paid the men direct	21.16
For outside aid, the town received from New Boston, and men were paid direct	23.04
Leaving the forest fires for 1950 costing the town	81.87

On May 22nd, C. F. Eastman, our Warden for over thirty years, resigned, but is still in the service as a Deputy. His long and devoted service is greatly appreciated by the Town and all of us who have worked with him.

Hoping to have the same splendid cooperation from the public that we have had in the past years.

REPORT OF HEALTH OFFICER

Weare, New Hampshire

January 13, 1951

During the year 1950, the water situation in all the sections was checked and re-checked and found slightly improved over 1949. The dump situation in the North Division is under excellent control; in the South Division it is a disgrace and it is hoped by the Health Officer that the residents of Weare will appropriate the necessary funds to remedy this condition. A dump in the South Division is most essential. A dump in the South Division, as it was during 1950, is a menace and must be corrected.

The local Health Officer has been recommended to head the Health and Sanitation unit under the local Civil Defense plan for cities, towns and villages. The functions of this unit are:

"To safeguard public health and sanitation and to devise and direct emergency measures and improvisation to that end. It is the responsibility of the unit to inspect and pass on water, food and pharmaceutical supplies and services and to require that safe and sanitary standards are met in the area.

"The unit is likewise responsible for similar inspection and control of sewage and waste disposal. Prevention of epidemic by quarantine, segregation, fumigation and similar standard health procedures is a responsibility of the unit. The closest cooperation is required with the Civil Defense Engineering and Rescue and Evacuation Units as well as with the local Red Cross Chapter.

"The unit is likewise responsible for establishment of temporary morgues, coroner duties and records. In this responsibility, close coordination must be maintained with the Civil Defense Administration Unit to insure that full identification records are kept and bodies properly ticketed."

On this committee with your Health Officer are: Donald Putnam, supervising the South Division, with headquarters at the Grange hall; Gordon Traver, Weare Center, with headquarters at the high school; Charles Reede, North Weare, with headquarters at the North Weare Federated Church; Charles Todd, East Weare, with headquarters at the Baptist Church.

It is anticipated in the near future that all of these headquarters will be supplied with lanterns, candles and other equipment. It is strongly recommended that all wells, where water is used for drinking purposes, have a well-fitting cover to keep out dust particles. All privies must be properly screened.

At Lake Horace in the North Division, no privies or outlets from septic tanks or cesspools will be permitted less than 75 feet from the level of the lake.

It is again recommended that where children, parents or other adults have colds, they refrain from attending school, or other gatherings until the condition is corrected.

Respectfully submitted,

JOHN H. CONNELL,
Health Officer.

SCHOOL WARRANT OF 1950
THE STATE OF NEW HAMPSHIRE

To the inhabitants of the School District in the Town of Weare qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 6th day of March, 1950, at 7:30 o'clock in the afternoon to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors, and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the Selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
9. To see what sum of money the district will vote to raise and appropriate for the School Lunch Program.
10. To see what sum of money the district will vote to raise and appropriate for High School Athletics.

11. To see if the district will vote to reappropriate the balance unexpended (\$125.) from special appropriation of 1949 School Meeting for repairs to Riverdale School for general school expenses.

12. To see if the School District will vote to alter the action taken at the School District Meeting of 1947, such action providing for a "consolidated elementary school equipped with an auditorium-gymnasium" by striking out the phrase "equipped with an auditorium-gymnasium".

13. To see if the district will authorize the School Board to make application to the General Services Administration for funds under Public Laws 352, 81st Congress for the preparation of plans and specifications for a new central school and to execute and deliver in the name of and behalf of the school district, obtaining a loan or grant from the General Services Administration or any other agency of the United States Government.

14. To see if the district will authorize the school board to apply to such agency or department of the United States Government from which source or sources federal funds may be made available, such funds to assist in financing the construction, remodeling, and equipment of any building program, including the acquisition of property, approved by this meeting, and to authorize the School Board to accept such funds in the name of the School District of Weare.

15. To see if the district will vote to authorize the School Board to execute any and all contracts or agreements necessary, proper, and advisable in connection with the construction of and equipment of an elementary school building.

16. To see what sum of money the district will vote to raise and appropriate for the construction of any equipment of such an elementary school, and in order to furnish such funds to authorize the school board to issue serial bonds or notes maturing not longer than 30 years from date of issue, in accordance with the provisions of the Municipal Bond Act, New Hampshire Revised Laws of 1942, Chapter 72, and Chapter 156 of the Laws of 1947.

17. To see what sum of money the district will vote to raise and appropriate for the purchase of a suitable site for a consolidated elementary school, in order to carry out the vote of the district at the Annual Meeting of 1947.

18. To see what sum of money the district will vote to raise and appropriate for Architects' expenses in preparation of preliminary plans and specifications.

19. To see if the district will vote to raise and appropriate a sum not to exceed \$5,000 as a capital reserve fund for the construction of a new central school, said funds to be placed in the custody of the trustees of trust funds and reserved for the construction of a new central school in accordance with the Laws of 1943, Chapter 160 as amended by the Laws of 1945, Chapter 35 and Laws of 1947, Chapter 8.

20. To transact any other business that may legally come before said meeting.

Given under our hand at said Weare this 26th day of January, 1950.

Article 4. Samuel D. Chase was nominated for Treasurer. There being no further nominations, said Samuel D. Chase was elected Treasurer by acclamation.

Article 5. On motion of Chester W. French it was voted that the officers of the School District be paid the same as the Town Officers and that this vote continue effective until such time as it may be repealed at some future meeting.

Article 6. On motion of Lyhl Perrigo it was voted that Superintendent Foote read his annual report. Mr. Foote read the report.

Article 7. On motion of Gerald Hight it was voted that the Town Auditors audit the books of the School District.

Article 8. On motion of Albert S. Farmer it was voted to table this article until later in the meeting.

Article 9. On motion of Harold Flanders it was voted to raise and appropriate \$600 for the School Lunch Program.

Article 10. On motion of Wendell Colburn it was voted to raise and appropriate \$350 for High School athletics.

Article 11. On motion of Gordon A. Russell it was unanimously voted to reappropriate the balance unexpended (\$125) from special appropriation of 1949 School Meeting for repairs to Riverdale School for general school expenses.

Article 12. On motion of Gordon A. Russell it was unanimously voted to alter the action taken at the School District Meeting of 1947, such action providing for "a consolidated elementary school equipped with an auditorium-gymnasium" by striking out the phrase "equipped with an auditorium-gymnasium".

Article 13. On motion of Fred Whitney it was unanimously voted:

1. That the construction of public works generally described as Weare Central School is essential and in the public interest and to that end it is necessary that action preliminary to the construction of said public works be taken immediately and that it is in the public interest and to its benefit to file an application under Public Law 352, 81st Congress, and to authorize other action in connection therewith.

2. That the School Board, through its Chairman, is hereby authorized to file in behalf of the School District of Weare an application in such form as is required by the United States of America and in conformity with said Act of Congress for an advance to be made by the United States of America to the School District of Weare to aid in defraying the planning cost preliminary to the construction of such works which shall consist generally of a consolidated elementary school.

3. That said authorized representative is authorized to furnish to the United States such information, data, and documents as may be required and to take any and all other action as may be necessary to obtain the advance and otherwise to act as the authorized representative of the School District of Weare in this connection.

4. That the School Board is hereby authorized by majority vote to accept an offer and any amended offer of the United States of America to make an advance pursuant to

Public Law 352, 81st Congress to the School District of Weare to aid in financing the planning cost of action preliminary to the construction of a consolidated elementary school estimated to cost not more than \$90,000 and to enter into any and all agreements and to do each and everything necessary or proper in order to obtain the payment by the United States of America of an advance for the said purpose.

Article 14. On motion of Fred Whitney it was unanimously voted to authorize the School Board to apply to such agency or department of the United States Government from which source or sources Federal funds may be made available, such funds to assist in financing the construction, remodeling, and equipment of any building program, including the acquisition of property, approved by this meeting.

Article 15. It was moved by Alfred Osborne that we dismiss the article. The motion was not carried. On motion of Edward McGlenen it was voted to table this article until the adjourned meeting.

Article 16. On motion of Elsie Purington it was voted to postpone action on Articles 16, 17, 18 and 19 until the adjourned meeting.

Article 8. On motion of Chester W. French it was voted that the School District raise and appropriate \$45,500 and to authorize and direct the School Board to apply against said appropriation such income as is estimated by the School Board exclusive of state aid, and upon the determination of the amount of state aid to be received by the School District during the next fiscal year, to authorize and direct the School Board to apply against said appropriation the sum to be received from state aid and with the School District Clerk certify to the Selectmen the balance as an assessment to be raised by the Town for school purposes.

On motion of Dorothy E. Moody it was voted to adjourn the meeting until Monday, May 8 at 8 o'clock in the Town Hall.

A true copy of record.

Attest: EUNICE C. MARSHALL,
Clerk of the District.

REPORT OF ADJOURNED SCHOOL MEETING

At the adjourned meeting of the voters of the School District of Weare held in the Town Hall on Monday evening, May 8, at 8 o'clock.

The meeting was called to order by the Moderator.

Article 15. Elsie Purington reported that a Federal application for funds for planning has been approved to the extent of \$3060.

On motion of Albert S. Farmer it was voted to take up Article 20.

Article 20. Lyhl Perrigo reported on the investigation made by the School Committee concerning possible sites for the new school. The following are the sites suggested and the number after each indicates the result of an informal poll to get the consensus of opinion of this meeting as to which site was preferable.

1. Build the new school on to the High School leaving space for an auditorium and using the land now owned by Wendell Colburn as a playground. (25)

2. Land belonging to Samuel Chase which is behind C. W. McLean's. (1)

3. Land belonging to Wendell Colburn on the road from Route 114 to North Weare across from Forrest Dearborn's.

4. Land adjoining the High School belonging to Phebe Clark. (16)

A lengthy discussion followed during which other suggestions were made. Both the Grange Hall and the old Clinton Grove Academy were suggested. On motion of Albert S. Farmer it was voted to take up Article 19.

Article 19. On motion of Clayton Gunn it was voted that we adopt the article. Yes—27; No—11.

On motion of Gordon A. Russell it was voted that we adjourn the meeting until Monday night, June 26, at 8 o'clock, in the Town Hall.

A true copy of record.

Attest: EUNICE C. MARSHALL,
Clerk of the School District.

REPORT OF ADJOURNED SCHOOL MEETING

At the adjourned meeting of the voters of the School District of Weare held in the Town Hall on Monday evening, June 26, at 8 o'clock.

The meeting was called to order by the Moderator.

Article 20. Albert S. Farmer spoke on remodelling the Clinton Grove School, explaining that a good four room building could be made of it for not more than \$12,000 by using local labor. This would include plumbing and heating. Further explanations were offered by Lyhl Perrigo. On motion of Harold Flanders it was voted that we have a Building Committee of ten, appointed from the floor, to work with the School Board and the Selectmen to study the remodelling of the Clinton Grove School, this Committee to include the existing 3-man Building Committee. Those appointed were:

Vincent Swanburg, Harry Clark, Royden Reed, Harold Flanders, Gerald Hight, George Sawyer, Vernon Wood.

On motion of Alfred Osborne it was unanimously voted that this Building Committee be authorized to fill any vacancies that might occur, and that these seven named from the floor be the Building Committee.

Article 16. No action taken.

Article 17. No action taken.

Article 18. No action taken.

On motion of Alfred Osborne it was voted to adjourn this meeting.

A true copy of record.

Attest: EUNICE C. MARSHALL,
Clerk of the District.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Citizens of Weare:

The annual report this year will concern itself with (1) the school year 1950-51, (2) the anticipated enrollment and housing problem in the immediate future, and (3) consideration of the budget for 1951-52.

The School Year 1950-51

Teaching Staff

As of September 1, 1950 we had but one change in teaching personnel, — Mrs. Georgianna Gile of Hillsboro replacing John F. O'Brien at the Center School.

With the opening of school in September we were faced with the problem of accommodating some 20 additional pupils in Grades 1-6. Our greatest increase came in the first grade with 40 pupils enrolling in the several elementary schools. The only feasible solution called for the accommodation of some 20 pupils in Grade 6 at the High School building. Miss Elizabeth Purington, who had previously taught in Goffstown, was engaged for that assignment and also to assist with certain junior high school groups.

Early in December Miss Dorothy Reilly, teacher of Home Economics for the past year and a half, asked to be released from her contract, and Miss Beverly Proctor of Goffstown assumed her duties on December 11.

Buildings

As mentioned above, it was necessary to provide space for the Grade 6 unit in the high school building. The Board, with the advice and approval of the Finance Committee, made the following changes at the high school:

(1) Grade 6 was installed in the room previously used by agriculture and other small groups.

(2) The front part of the shop was converted into a classroom to accommodate the classes previously using the room in the high school taken over by Grade 6, and (3) The north wall of the shop was moved some 14 feet to the north in order to provide the shop area given over to the classroom.

It is expected that the expenses necessitated under No. 1 and No. 2 above can be met by unused balance on our current budget. Expenses incurred in moving the shop wall will probably have to be met through a special article in the 1951 warrant.

Future Housing Needs

For several years the school board and townspeople have been attempting to solve the problem of a rapidly increasing school population. Our pre-school census figures indicate the number of entering pupils by districts for the next six years, —

PRE-SCHOOL CENSUS (as of Oct., 1950)

Date of Entrance	South	East	North and Center	Totals
1951	14	8	10	32
1952	8	8	21	37
1953	10	5	12	27
1954	8	4	17	29
1955	4	3	7	14
1956	7	5	18	30

If we project the present enrollments and pre-census figures over the next six years, we find that our total school enrollment increases from the present number of 256 to a high of 330 from 1954 to 1956. The table of "Anticipated Enrollments" indicates the distribution of these pupils by grades. This represents an increase of 14%, coming at a time when all of our buildings are over-crowded, and to provide for some 74 additional pupils in our present facilities is impossible.

Several solutions have been offered to meet our problem. As you know, the district voted in 1947, as amended in 1949, to construct a six-room elementary building, but for financial reasons it did not appear feasible to appropriate the necessary funds at that time.

Another suggestion has been considered to renovate the Clinton Grove School, constructing an addition for adequate stairway and plumbing facilities. This plan has been proposed as a temporary measure, but the question arises as to whether the \$10,000-15,000 estimated expenditure would by necessity make the Clinton Grove School a permanent unit in our system.

Regardless of the plan of action agreed upon by the voters, if we are going to bond the district to finance an expansion program, such a program should be a part of a long-range educational program rather than for temporary construction.

The school board and superintendent fully realize that the town of Weare is not in a position to expend a large amount of money at this time, and with that fact in mind I should like to propose the following plan, —

That the School District of Weare erect a two-room building, such a building to contain service facilities (heating and plumbing) for a four-room building. Such a two-room building would meet our immediate needs, and units of two additional rooms could be added economically as practicable without increasing the service facilities mentioned above. Such a two-room building could be built for approximately \$34,000, and an additional two-room unit added as necessary at a later date for a cost of about \$24,000.

The approximate financial implications of two and four room units are contained in the following table:

	Yearly Payment of Principal	Interest Payment First Year	Effect on Tax Rate per \$100
2-Room Building \$34,000	\$1,700	\$850	\$.22
4-Room Building \$58,000	2,900	1,450	.37

Such a plan would have merit for several reasons. In the first place the primary expenditure would be in line with a long-range plan rather than on an expenditure of a temporary nature, and, secondly, we would not be constructing

more than we need at any one time, but rather we could increase the plant if and when enrollment figures so demanded.

The 1951-52 Budget

Several articles other than the customary are included in next year's warrant which warrant your careful consideration.

As mentioned earlier in this report, the expansion provided at the high school necessitated an over-run in our present budget. A deficiency item for this purpose is included in the warrant.

The teachers have respectfully requested that an article be included to raise and appropriate funds for a cost-of-living bonus for the current school year. The increased cost of living, and an increase in federal withholding taxes have seriously reduced their real income.

To meet our classroom needs articles are included to renovate the Clinton Grove School, to construct a new unit, and to provide a one-room unit for the year 51-52. The financial solution of this need is a serious problem and requires sound reasoning and study. Of equal importance is the educational solutions possible under the various plans. Not only are we interested in reducing the number of pupils per classroom, but we should be equally concerned with other aspects of an adequate educational program. The more a system tends to be centralized, the greater the number of pupil activities which can be made available to our children, in addition to the fact that we move toward pure grades per classroom unit. We can not continue to think that the demands made upon education by our present society, can be met by educational methodology of the past century. Should we not want for our growing generation, not an education as good as their forefathers, but rather an education at least equal to that provided for the children of our state and nation at the present time.

Respectfully submitted,

LEWIS F. FOOTE,
Supt. of Schools.

REPORT OF SCHOOL NURSE

At the beginning of the school year, September, 1949 about 150 pupils in the first through the sixth grades were weighed, measured and examined by the school nurse. Later in the year Dr. Brown examined the seventh grade through High School. Those who wished to play basketball were given special attention. The number of pupils affected and the number of defects corrected is as follows:

Defective vision — 30	Number of defects corrected — 22
Defective teeth — 120	Number of defects corrected — 96
Diseased tonsils — 16	Number of defects corrected — 7

In April, 1950, there was one case of Chicken Pox and one case of German Measles. There was one case of Rheumatic Fever, one fractured hip, one splintered ankle, and two had an appendectomy. One deaf and dumb boy was sent to a school for handicapped children in Vermont. Two girls had a metabolism at the Hillsborough County General Hospital. One girl had a heart X-ray and examination at the tubercular clinic. One boy went to a physician for an X-ray of his hip, one for an ear examination, two to the Pediatric Clinic in Concord for tonsilectomy, and one had a growth removed from his chest. I accompanied three children to the baby clinic for the triple inoculation. 110 had the Patch test.

I would like at this time to say that I think the teachers, and the parents, should be given credit for recognizing communicable diseases and reporting them, thus keeping diseases at a minimum in our schools, and I do appreciate their interest and cooperation so much.

Since September 12, 1950 the State Board of Health mobile chest X-ray unit has been parked on Elm Street in Manchester. This mass X-ray survey is free to all young people 15 years and over and to all adults. When I asked if this mobile unit or trailer could be brought to Weare or to Goffstown thus giving those in Goffstown, New Boston, Dunbarton and Weare an opportunity to have this screening test, I was told that these towns were too near Concord and Manchester, and that if our people were interested they could easily take advantage of this program in either of these two cities. Several of our young people have been into Manchester and had the test.

36 home visits were made during the year.

EDITH G. WALKER,
School Nurse.
